High-Efficiency Equipment Rebate Program

HOW TO PARTICIPATE:

1 Consult your licensed heating contractor or plumber for a listing of models that are eligible for the GasNetworks Rebate Program.

2 Once your new natural gas, high-efficiency heating system and/or high-efficiency water heating system has been installed, review and complete this rebate application. Then attach a copy of all dated receipts/work orders that document the installation. Make sure that these receipts indicate the name, license #, address, and phone number of the contractor that completed the installation.

3 Mail the signed rebate form with attached receipts to:

GasNetworks
40 Washington Street, Suite 2000
Westborough, MA 01581

Make sure to make a copy of the rebate form for your records.

PROGRAM GUIDELINES:

- You must be a New Hampshire customer of a GasNetworks member utility: National Grid (NH) or Unitil (NH).
- All installations of high-efficiency heating systems (furnaces and boilers) and/or water heating systems (indirect, storage, or on-demand tankless) must be installed by a licensed contractor and/or plumber. All installations must conform to all applicable codes and be installed in accordance with all rebate Program Guidelines.
- All proof of purchase receipts, work orders or other documentation must include the contractor name/ license #/address/phone number, installation cost, and an itemized description of the equipment, including manufacturer, model number, and AFUE (Annual Fuel Utilization Efficiency) or EF (Energy Factor) rating, as applicable.
- All installations are subject to verification that the equipment has been installed and is operational.
- Please read all Terms and Conditions on the reverse of the rebate application.
- Rebate offers subject to change without notice. Some restrictions may apply.

TERMS AND CONDITIONS

1. Customer Eligibility

You must be a New Hampshire residential or commercial natural gas heating customer of National Grid (NH) or Unittel (NH) to qualify for heating equipment incentives. Only equipment purchases and installations made between January 1, 2011 and December 31, 2011 are eligible for rebate. Equipment must be installed by a licensed heating or plumbing contractor at the customer's address listed on the GasNetworks Rebate Form. **Rebate form must be filled out completely, signed and accompanied by dated receipts, and received by GasNetworks by January 31, 2012.**

2. Installation Verification

Prior to honoring any rebate, GasNetworks reserves the right to conduct an on-site verification that the equipment has been installed according to Program Guidelines and is in operation. This site visit, and all aspects related to this site visit, are conducted solely for such purpose. The site visit is not a safety review, nor is it intended for any other purpose.

3. Warranties

GasNetworks and the Rebate Administrator do not endorse, guarantee or warrant any particular contractor, manufacturer or installation.

4. Changes to High-Efficiency Equipment Rebate Program

Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.

5. Tax Liability

Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

6. No Tax Liability to GasNetworks and Rebate Administrator

GasNetworks and the Rebate Administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates provided by the natural gas utility to the customer.

7. Liability & Release

As part of the consideration for participating in the program, participant hereby releases and shall indemnify, hold harmless and defend GasNetworks, its member utilities, and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.

8. Changes to Rebate Amounts

GasNetworks will provide rebates for approved equipment up to the rebate amount indicated in this application. **Projects greater than ten (10) units require pre-approval from National Grid (NH) or Unittel (NH) for rebate funds to be reserved.** Pre-approval can be obtained by contacting rebates@gasnetworks.com.

FREQUENTLY ASKED QUESTIONS

- 1. What is GasNetworks?** GasNetworks is a collaborative consisting of local gas companies whose mission is to work with governmental agencies and affiliates to promote energy-efficient technologies, create common efficiency programs, educate consumers, and promote contractor training and awareness of ever-changing natural gas technologies.
- 2. What is the purpose of the GasNetworks Rebate Program?** The purpose of the program is to encourage customers to purchase and install energy-efficient equipment. Your gas company provides a rebate to cover a portion of the additional cost for purchasing the energy-efficient equipment versus standard efficiency equipment.
- 3. How can I recognize this equipment?** A customer or contractor who is uncertain about whether equipment meets the efficiency criteria should check with a local distributor or manufacturer. For questions regarding eligible equipment, please call the GasNetworks Rebate Administrator at 1-800-232-0672 or contact your heating or plumbing contractor.
- 4. Where can I find a contractor to install the equipment?** Refer to the ENERGY STAR® website at www.energystar.gov for tips on how to find the right contractor, and check the local Yellow Pages for a complete list of licensed plumbers or heating contractors that specialize in gas heating and water heating systems.
- 5. When will I receive my rebate?** Pending approval, we will process and mail the rebate within 4 to 6 weeks of receipt of the properly completed and signed application.

For questions regarding this program, please call **1-800-232-0672** or email rebates@gasnetworks.com.
